

## Sponsoring

---

electronica China is the perfect platform to focus on a high amount of quality customers in short time. Take the advantages of our sponsoring packages to increase the visibility of your company and products. Even without a booth, our sponsoring packages offer you a high return on investment.

---

Exclusive branding through creative and individual giveaways or sponsorship of our on-site events and conferences to reach your selected target groups.

Check out our bestselling sponsoring possibilities.

### Tote bag and gift sponsoring

A movable advertisement showing company name and logo to maximize your brand exposure.

### Disposable cup sponsoring

Disposable cup sponsoring onsite which can be placed at visitor lounge, VIP lounge and conference room.

### Dinning coupon sponsoring

The dinning coupon distribute to group visitors and pre-registration visitors.

### Forum sponsoring

Choose between different arranged packages, compose the items yourself or select one measure.

Details about our various advertising opportunities, sponsoring and other services are available in our **marketing services brochure** or you can order directly via **order form**.
