

The electronica China Press Center

The Press Center is a gathering place for media representatives from around the world. It is a point of contact for those covering electronica China.

Everything that you need for your work is available at the Press Center. Our team would be pleased to support you!

The following are available for you during the fair:

- Rooms for meetings and interviews
- PC workstations with Internet access
- Free WiFi throughout the trade-fair center
- Press releases for electronica China
- Printed materials for electronica China
- Coffee and snacks

Opening hours of the Press Center during electronica China

During the fair, the Press Center is open daily from 09:00 to 16:00.
