electronica China | International Trade Fair for
Electronic Components, Systems, Applications
and Solutions

Date: Mar 20 - 22, 2019

Citizens from most countries require a visa to enter China

Most foreigners must obtain an entry visa before proceeding to China. All applicants for visas are required to have an invitation letter.

Please check the Chinese New Year Holidays and send your visa application in advance to make sure that your visa can be issued on time before the show.

Visa invitation letter
